With a heritage going back over 35 years, as a business we have become recognised for our depth of knowledge and experience, developing a reputation as a professional service provider that offers market leading, bespoke international business solutions. Not only do we offer a wide range of services that are efficient, flexible and cost effective, our experienced team of professionals offer specialist knowledge and experience in a number of niche industry sectors including Aviation, Fintech, Natural Resources, Property, Shipping and Yachting, in addition to services of a more traditional corporate and trust nature. We pride ourselves on

having a team of multi-disciplined, innovative and resourceful individuals, who are committed to providing the highest level of customer care, and work to ensure that the services we provide are delivered professionally, reliably and with complete integrity. This together with the relationships we have formed both locally and internationally with intermediaries and professional advisors alike, means that we are able to stay at the forefront of any new developments or changes so that we can continue to evolve our services to ensure that we offer the most competitive, individually tailored solutions. Whether you require guidance on the best solution to meet a specific set of objectives, assistance with corporate structuring, guidance on choosing the most effective jurisdiction for a particular transaction, or support with the ongoing management and administration of a structure – we offer a comprehensive range of corporate and trust services, from full service development through to back office functionality – leaving you reassured that you are in the hands of a professional and successful service provider.
